

Borderland State Park **SPECIAL EVENT**

259 Massapoag Ave, North Easton, MA
(508) 238-6566

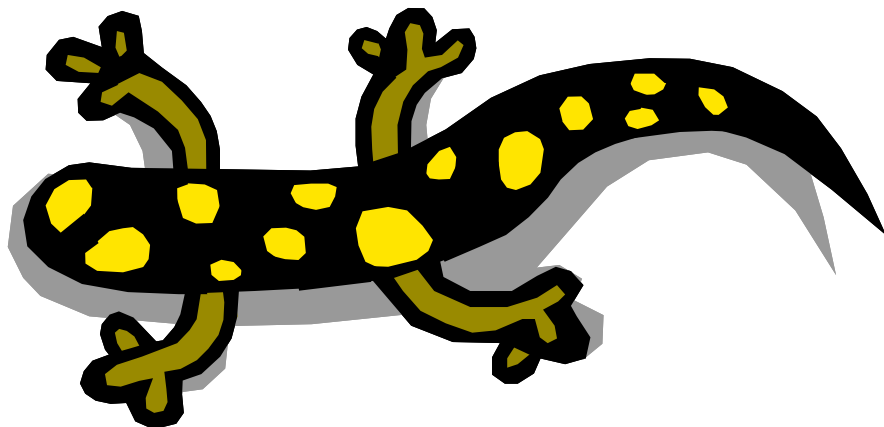

Annual Amphibian Search

Saturday, March 25, 7:00PM

Join Kyla Bennett on a trek to three different vernal pools in Borderland State Park to look for frogs, toads, and salamanders. These creatures come out on the first warm spring night to sing and attract mates in and near the vernal pools. We may see red-back salamanders, spotted salamanders, toads, spring peepers and egg masses.

Meet at Borderland's Lawrence Newcomb Visitor Center at 7:00PM. Please dress for the weather and wear waterproof boots. Bring a flashlight. For more information, call (508) 238-6566.

This program is sponsored by the Massachusetts Department of Conservation & Recreation and the Friends of Borderland. Program is free and open to the public.
